Please note that there will be no crossing patrol on duty at finishing times for these activities. Please make suitable arrangements for your child to get home, ensuring they are aware of the arrangements.

Children will not be allowed to stay for any after-school activity without parental permission. Please return the form below to the teacher in charge of the activity by Tuesday 10th September. When your child has been confirmed as having a place on each club, they will receive a letter outlining the dates for them to attend. In the event of an activity being oversubscribed and dependent on the nature of the activity, some clubs will be capped on a first come basis, while others will try to group pupils and offer the activity for a shorter period of time. Pupils will be notified of these arrangements by Friday 13th September.

In the event that a pupil is unable to attend an after-school activity that they are registered for, a note must be received by their class teacher giving them permission to leave at 3.00pm.

There are additional after-school activities, organised by external groups. Please refer to their correspondence for details.

If you have any queries or questions regarding the after-school programme, please contact Mrs McGimpsey, through the school office.

There are no after-school activities on the weeks beginning 21st October and 10th February, due to parent consultations or weeks beginning 28th October and 17th February due to half term holidays.
