### OUR OBJECTIVES

- To create a child-centred environment where each child can develop to their full potential, while developing their independence and social skills
- To create a trusting, open and cooperative environment for parents and staff.
- To create an inclusive play space for all children, and encourage positive attitudes towards all cultures, beliefs, races and religions

### OUR ETHOS

- We focus on **child-led play**.
- We encourage children to plan activities and resources around their needs.
- Typically the activities on offer will include arts and crafts, messy play, chill out zone, construction, role play, dress up, board games, cookery and outdoor play.

## **OUR SETTING**

- YMCA After School Club Rathmore operates from West Church Church
- We are registered to hold 30 children in the Rathmore hall, with 4 members of staff
- The children are collected from school by YMCA staff and walked the short distance to YMCA After School Club.

## **PARTNERSHIP**

- We work closely with Rathmore Primary School to provide a continuation of care between school and home.
- We encourage parent representatives on our Management Committee and value the input of parents to our provision.

### SNACK

- We provide a healthy snack during our After School sessions and morning and afternoon snacks during Holiday Club.
- Snack is a buffet style, where children can choose from items such as toast, crackers, cheese, pancakes, yogurts dips, and a selection of fresh fruit/vegetables.

## **HOMework**

- Our aim is to provide good quality PLAY experiences for children.
- We will provide a space, and will support children to do their homework with us if the child agrees. We will not interrupt play to ask a child to do their homework.
- We want to allow children the freedom to explore their play environment and have FUN!
