World Book Day

At Rathmore Primary School, we are celebrating our love of reading during 'Book Week'. During this week, each class will be enjoying a range of book related activities and storytelling experiences, both indoors and outdoors!

To celebrate the final day of Rathmore's Book Week (Friday 3rd March 2023), children may choose to come to school dressed as a character from their favourite book, or they may choose to wear non-uniform and bring a copy of their favourite book to school to share with their class.

World Thinking Day

Our Rainbows, Brownies and Guides wore their Association uniforms to school to celebrate World Thinking Day.

Parent Teacher Consultations

We trust that you will find your parent teacher consultation to be informative in highlighting your child's successes this year and identifying areas that we can develop together. The strength of the home-school partnership is important in helping your child's success.

Thank you to P7 parents who attended their meetings and decided on preferred schools for next year. All the forms have now been uploaded to the EA to be processed. Thank you for your supportive partnership.

Raffy's Thought for the Month:
